The Proxy Statement, which recommends that Company stockholders vote in favor of the Proposed Transaction, omits or misrepresents material information necessary and essential to that decision. Defendants authorized the issuance of the false and misleading Proxy Statement in violation of Sections 14(a) and 20(a) of the Exchange Act.

4. It is imperative that the material information omitted from the Proxy Statement is disclosed to the Company’s stockholders prior to the forthcoming stockholder vote so that they can properly exercise their corporate suffrage rights, among other things.³

5. For these reasons and as set forth in detail herein, Plaintiff seeks to enjoin Defendants from taking any steps to consummate the Proposed Transaction unless and until the

² Parent and Merger Sub are affiliates of the Buyer Consortium.

³ The Special Meeting at which stockholders are asked to approve Proposed Transaction currently is scheduled for August 2, 2023.

material information discussed below is disclosed to the Company's stockholders or, in the event the Proposed Transaction is consummated, to recover damages resulting from the defendants' violations of the Exchange Act.

21. On May 10, 2023, the Company announced in relevant part:

MORRISVILLE, N.C., May 10, 2023 (GLOBE NEWSWIRE) -- Syneos Health, Inc. (Nasdaq: SYNH) (“Syneos Health” or the “Company”), a leading fully integrated biopharmaceutical solutions organization, today announced that it has entered into a definitive agreement to be acquired by a consortium of private investment firm affiliates composed of Elliott Investment Management (“Elliott”), Patient Square Capital (“Patient Square”), and Veritas Capital (“Veritas”) for \$43.00 per share in cash in a transaction valued at approximately \$7.1 billion, including outstanding debt.

The purchase price represents a 24% premium to Syneos Health’s unaffected closing stock price on February 13, 2023, the last trading day prior to media speculation regarding the Company.

“This agreement is the culmination of a comprehensive review of opportunities available to Syneos Health, including interest from multiple parties with the assistance of independent financial and legal advisors. The Syneos Health Board of Directors unanimously determined that this all-cash transaction maximizes value for our shareholders and is in the best interests of the Company and all stakeholders,” said John Dineen, Chair of the Syneos Health Board of Directors. “The Company has a strong operating foundation, differentiated, integrated solutions and a focus on being committed to customers. We believe this transaction will enable Syneos Health to continue to accelerate its growth strategy, enhance customer delivery and evolve the organization toward a tech-enabled future.”

We look forward to partnering with Patient Square and Veritas, as well as the talented team at Syneos Health, to further reinforce the Company’s core capabilities and help drive its next phase of growth.”

“Based on first-hand experience in the industry, we are huge believers in the value that contract research and commercial organizations provide to their

clients by accelerating and maximizing the likelihood of clinical success and optimizing a product's potential to impact patients," said Jim Momtazee, Managing Partner of Patient Square. "We have followed the journey of Syneos Health for years and believe the Company and its world-class employees provide a strong foundation to build upon, always providing unparalleled service to clients."

"Syneos Health provides mission-critical clinical research and commercialization services to leaders in the biopharmaceutical space," said Ramzi Musallam, CEO and Managing Partner of Veritas. "Consistent with our successful history of transforming businesses in the healthcare ecosystem, and in partnership with the Syneos Health team and the consortium, Veritas looks forward to driving investment in the Company to underscore Syneos Health's position as a market leader and to enhance its ability to deliver medical innovations to patients across the globe."

Approvals and Timing

Completion of the transaction is expected in the second half of 2023, subject to the approval of Syneos Health shareholders and the satisfaction of other customary closing conditions, including regulatory approvals.

The Syneos Health Board of Directors unanimously approved the merger agreement and intends to recommend that Syneos Health shareholders vote in favor of it at a Special Meeting of Stockholders, to be scheduled as soon as practicable.

The transaction is not subject to a financing condition. Centerview Sachs Bank USA, UBS Investment Bank, RBC Capital Markets, BMO Capital Markets, HSBC Securities (USA) Inc., Wells Fargo Bank, NA, BofAgroup, Jefferies LLC, Macquarie Capital, Natixis, and Truist Securities have provided committed financing for the transaction.

Upon completion of the transaction, Syneos Health will become a private company and shares of Syneos Health Class A common stock will no longer trade on the Nasdaq. The Company expects to maintain its headquarters in Morrisville, North Carolina.

CLAIMS FOR RELIEF

COUNT I

Claims for Violation of Section 14(a) of the Exchange Act and Rule 14a-9 Promulgated Thereunder Against the Individual Defendants and Syneos Health

38. Plaintiff repeats and realleges the preceding allegations as if fully set forth herein.

39. The Individual Defendants disseminated the false and misleading Proxy Statement, which contained statements that, in light of the circumstances under which they were made, omitted to state material facts necessary to make the statements therein not materially misleading, in violation of Section 14(a) of the Exchange Act and Rule 14a-9. Syneos Health is liable as the issuer of these statements.

40. The Proxy Statement was prepared, reviewed, and/or disseminated by the Individual Defendants. By virtue of their positions within the Company, the Individual Defendants were aware of this information and their duty to disclose this information in the Proxy Statement.

41. The Individual Defendants were at least negligent in filing the Proxy Statement with these materially false and misleading statements.

42. The omissions and false and misleading statements in the Proxy Statement are material in that a reasonable stockholder will consider them important in deciding how to vote on the Proposed Transaction. In addition, a reasonable investor will view a full and accurate disclosure as significantly altering the total mix of information made available in the Proxy Statement and in other information reasonably available to stockholders.

43. The Proxy Statement is an essential link in causing Plaintiff and the Company's stockholders to approve the Proposed Transaction.

44. By reason of the foregoing, defendants violated Section 14(a) of the Exchange Act and Rule 14a-9 promulgated thereunder.

45. Because of the false and misleading statements in the Proxy Statement, Plaintiff is threatened with irreparable harm.

COUNT II

Claims for Violation of Section 20(a) of the Exchange Act Against the Individual Defendants

46. Plaintiff repeats and realleges the preceding allegations as if fully set forth herein.

47. The Individual Defendants acted as controlling persons of Syneos Health within the meaning of Section 20(a) of the Exchange Act as alleged herein. By virtue of their positions as officers and/or directors of Syneos Health and participation in and/or awareness of the Company's operations and/or intimate knowledge of the false statements contained in the Proxy Statement, they had the power to influence and control and did influence and control, directly or indirectly, the decision making of the Company, including the content and dissemination of the various statements that Plaintiff contends are false and misleading.

48. Each of the Individual Defendants was provided with or had unlimited access to copies of the Proxy Statement alleged by Plaintiff to be misleading prior to and/or shortly after these statements were issued and had the ability to prevent the issuance of the statements or cause them to be corrected.

49. Each of the Individual Defendants had direct and supervisory involvement in the day-to-day operations of the Company, and, therefore, is presumed to have had the power to control and influence the transactions giving rise to the violations as alleged herein and exercised the same. The Proxy Statement contains the unanimous recommendation of the Individual Defendants to approve the Proposed Transaction. They were thus directly involved in the making of the Proxy Statement.

50. By virtue of the foregoing, the Individual Defendants violated Section 20(a) of the Exchange Act.

51. As set forth above, the Individual Defendants had the ability to exercise control over and did control a person or persons who have each violated Section 14(a) of the Exchange Act and Rule 14a-9, by their acts and omissions as alleged herein. By virtue of their positions as controlling persons, these defendants are liable pursuant to Section 20(a) of the Exchange Act. As a direct and proximate result of defendants' conduct, Plaintiff is threatened with irreparable harm.

PRAYER FOR RELIEF

WHEREFORE, Plaintiff demands judgment and preliminary and permanent relief, including injunctive relief, in her favor on behalf of the Company, and against defendants, as follows:

A. Preliminarily and permanently enjoining defendants and all persons acting in concert with them from proceeding with, consummating, or closing the Proposed Transaction and any vote on the Proposed Transaction, unless and until defendants disclose and disseminate the material information identified above to Company stockholders;

B. In the event defendants consummate the Proposed Transaction, rescinding it and setting it aside or awarding rescissory damages to Plaintiff;

C. Declaring that defendants violated Sections 14(a) and/or 20(a) of the Exchange Act;

D. Awarding Plaintiff the costs of this action, including reasonable allowance for Plaintiff's attorneys' and experts' fees; and
